MECHANICAL BREAKDOWN COVERAGE: Covers all mechanical components and parts except for items in Section "D. WHAT IS NOT COVERED."

Any repairs/parts replacements under this Limited Warranty are required to be performed by an Authorized Volvo Dealer only.

Emergency repairs at an unauthorized repair facility: Volvo (Administrator) reserves the right to decide if a repair was indeed an Emergency and has the final say in authorizing such a repair and reimbursement under this Limited Warranty. Vehicles covered by this LIMITED WARRANTY are also covered by Volvo On Call (for 2 years) during the duration of the LIMITED WARRANTY.

TERMS AND CONDITIONS FOR VOLVO CERTIFIED COVERAGE

This limited warranty is subject to the following terms, conditions, limitations, exceptions and definitions. No person has the authority to change this limited warranty or to waive any of its provisions. This limited warranty is for the sole benefit of the customer named herein and applies only to the vehicle described in the customer information section of the limited warranty.

DEFINITIONS OF TERMS

Administrator: Volvo Cars of North America, LLC.

Authorized Volvo Dealer: a dealer authorized by the company to conduct retail operations pursuant to the current executed retailer agreement.

Coverage: the items listed in the Coverage section of this Limited Warranty.

Emergency repair/Part(s) replacement: a mechanical breakdown or safety related issue where a Volvo Retailer is not a reasonable option for repair

In-Service Date: the date the Vehicle was first put into service, not the date You purchased Your Vehicle. The In-Service date does not apply to used Vehicle coverage.

Limited Warranty: the Coverage which you received with the Vehicle. You are not being charged for this, and therefore it is non-cancelable. (This Limited Warranty is not an Extension of the original New Car Warranty.)

Mechanical Breakdown or Failure: the inability of any covered part(s) to perform the function(s) for which it was designed due to defects in material or workmanship. Mechanical Breakdown does not include the gradual reduction in operation performance due to normal wear and tear, where a Failure has not occurred. Volvo has established tolerance for the express purpose of defining Failure and serviceability. When specifications exceed the Volvo tolerances a Failure will be considered to have occurred.

Selling Dealer: the Dealer from whom you received this Limited Warranty.

Vehicle: the Vehicle described in the Customer Information section of this Limited Warranty.

We, Us, Our: Volvo Cars of North America, LLC.

You, Your: the customer who purchased the Vehicle and the holder of this Limited Warranty.

A. OUR RESPONSIBILITIES:

We agree to repair or replace any of the parts covered, if required due to Mechanical Breakdown or Failure. At Our election, We will repair or pay the cost of repair for any Mechanical Breakdown or Failure of a covered part (repaired or replaced by an Authorized Volvo Dealer). For additional information see section "G. LIMITS OF LIABILITY."

B. YOUR RESPONSIBILITIES:

To keep this Limited Warranty valid, You must have Your Vehicle serviced as recommended by Volvo. If requested, proof of required service including verifiable receipts showing date and mileage of the Vehicle at the time of service must be presented in order to have repairs begun on Your Vehicle. Service within 1,000 miles and/or 30 days of the recommended interval shall be considered compliance under the terms of this Limited Warranty. Upon customary and reasonable notice of the occurrence of a Mechanical Breakdown or Failure, You shall protect the Vehicle from further damage, whether or not such Mechanical Breakdown or Failure is covered by this Limited Warranty. Any operation of the Vehicle that results in further damage, related to the original Mechanical Breakdown or Failure, shall be considered Your failure to protect the Vehicle and shall not be covered under this Limited Warranty. You are responsible for making sure the oil warning light/gauge and the temperature warning light/gauge are functioning before driving the Vehicle. You are required to safely pull Your Vehicle off the road and shut off the engine immediately when either of these lights/gauges indicates a problem.

You must give Your authorization to the Authorized Volvo Dealer for teardown to diagnose a problem. You may be required to supply the Administrator and/or Volvo Dealer with all maintenance records for service performed on the Vehicle, when the maintenance involved relates to the specific Failure or to verify odometer operation.

It is Your responsibility to make every effort to have Your Vehicle repaired or part(s) replaced under this Limited Warranty by an Authorized Volvo Dealer. If conditions beyond your control warrant an emergency repair, it is Your responsibility to have Your Vehicle inspected by an Authorized Volvo Dealer immediately following the emergency repair, for reimbursement consideration under this Limited Warranty. The final decision whether such a repair or part(s) replacement is deemed a true "emergency" is at the sole discretion of the Administrator. You will be responsible for any portion of the repair or part(s) replacement not considered to be an "emergency" under this Limited Warranty.

C. IN CASE OF MECHANICAL BREAKDOWN OR FAILURE

1. In the event of Mechanical Breakdown or Failure You may take Your Vehicle to any Authorized Volvo Dealer. However, it is suggested that You return the Vehicle to the Selling Dealer. Upon Our request, You must allow an authorized representative of the Administrator to inspect Your Vehicle to gather necessary information regarding any claim. Under certain conditions when a Mechanical Breakdown or Failure occurs You may be required to have the Vehicle returned to the Selling Dealer. If conditions beyond your control warrant an emergency repair, it is Your responsibility to have Your Vehicle inspected by an Authorized Volvo Dealer immediately following the emergency repair, for reimbursement consideration under this Limited Warranty.
2. Claim submission for repairs/part(s) replacement covered under this Limited Warranty, is handled by the Authorized Volvo Dealer. You are responsible for payment of any items not covered by this Limited Warranty.

Any implied warranty of merchantability or fitness for a particular purpose applicable to Your Vehicle is limited in duration to the duration of this written warranty. The repair, replacement or reimbursement of a covered component is the exclusive remedy under this written Limited Warranty or any implied warranty. We shall not be liable for incidental or consequential damages resulting from breach of this written Limited Warranty or any implied warranty. Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to You.
